

# JENN CLEARY

## BREAKIN' LOOSE

**Break loose. Take a chance. Ask the questions you haven't dared to before.**

Rock artist Jenn Cleary guides her listeners through this process and more in her breakthrough album, *Breakin' Loose*. Leaping from playful tones to social critique and inquisition, Jenn Cleary rips apart the typical noise of female indie rock and inspires her fans to question their world and their own lives.

Jenn Cleary's thoughtful reflection in her eclectic songwriting combines with her fun-loving musical performance to engage listeners in a funky celebration of breaking out and letting go.

This collection journeys through Jenn Cleary's diverse music styles, from sweet acoustic to beat drivin' rock and roll. The live-performance title track, *Break It Loose*, inspires audiences to tear from their chairs and get involved in the music. Forget about who you've been, seek a new groove deep within. Listening to the song will not be a literal experience; in fact, it may alter lives.

If nothing else, it will encourage listeners to deny their own restraints that keep them from living life to the fullest.

No one can instruct this better than Jenn Cleary, who went through a dark period in her life when she was confronted with losing her eyesight. At this time, Jenn Cleary wrote her first song for this album, *Down By The River*, in which she asked herself, Why do I fear so? Can't I just let go? Trust where life will take me, trust where the river flows.

Jenn Cleary – Breakin' Loose  
IDP75372 – 742187537220  
File under – Blues / Rock  
Label – Independent

List Price - \$12.98  
Release Date – 7/25/2006  
Artist info – [www.jenncleary.com](http://www.jenncleary.com)  
Format - CD

Jenn Cleary, a Boston native, picked up the guitar at a young age and has been engaged in passionate performance ever since. She has been inspired vocally by greats such as Janis Joplin, Bonnie Raitt, and Joan Osborne. You can hear the echoes of these artists, yet Jenn Cleary has her own unique sound and style, adding some freshness to today's music scene.
